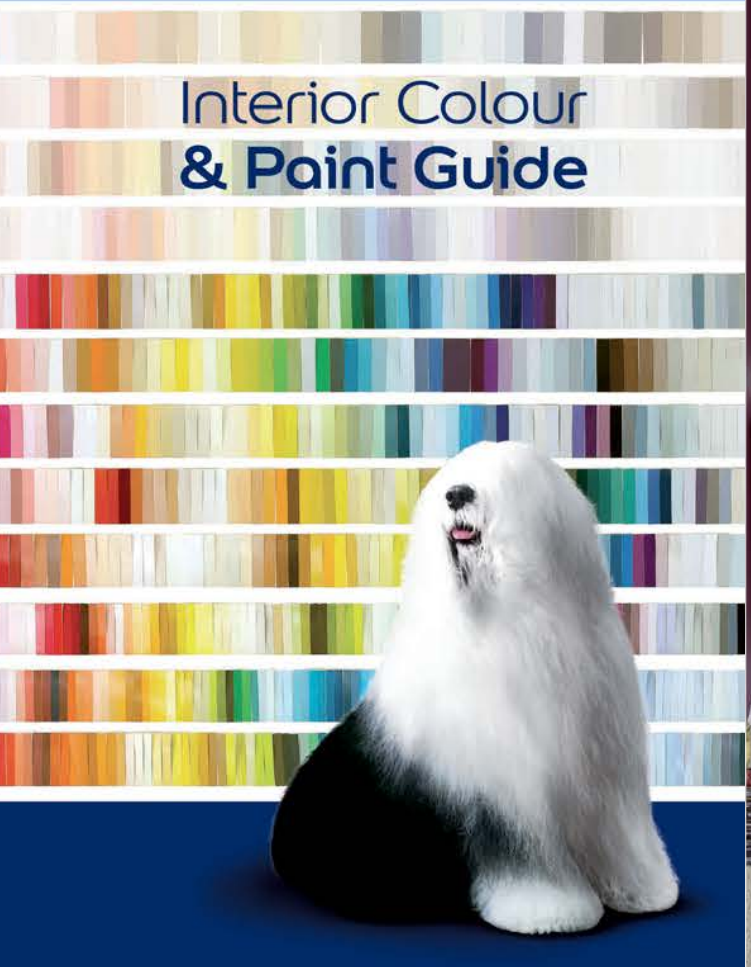
Interior Colour & Paint Guide



AkzoNobel

change how it feels to come home...

Whether you're tackling a quick DIY upcycle or embarking on a full home makeover, the transformative power of paint can breathe new life into your living spaces and elevate your mood.

For generations, Dulux has been helping you add vibrant hues to your home. Our current palettes offer both trend-led and timeless colours that perfectly blend with your personal touch, ensuring stunning spaces that are uniquely yours.

Feel the difference a splash of colour can make.

Let's Colour!

choose your perfect Dulux colour and product

1 Explore our colours

This guide features our most popular shades. For our full colour palette and to visualise a colour on your wall, head to dulux.co.uk or the Dulux Visualizer app.

2 Try before you buy

Put your shortlisted shades to the test with our Roller Testers or Peel & Stick testers. Pick up in store or online at dulux.co.uk

3 Choose the right product for your room

We offer a variety of paints to suit your home's needs. Follow our simple product key to see the colours available in each of our ready mixed ranges.

discover more sustainable choices

We're committed to continually improving the way we make our paints, reducing our impact on the planet with innovative products and solutions.

Look out for our more sustainable paints using our sustainability icons.

Advanced water-based technologies in our wood and metal paints.*

99.9% VOC free formulations in our emulsions.**

Paints manufactured with purchased renewable energy.*

Packaging including recycled plastic content.

Paint produced using renewable materials in the production process.*

painting for good

For decades, we've been working closely with partners to help make the world a better place, one project at a time. We help to brighten communities and improve the lives of young people through:

- Dulux **Let's Colour** projects.
- Partnering with **Volunteer It Yourself**.
- Sponsoring **Community Repaint,** the UK's only nationwide paint re-use and redistribution network.

*Find out more at Dulux.co.uk/sustainability

** Based on in-can VOC content, measured in accordance with ISO 11890-2:2020

revitalise your wood, metal & MDF

Paint your home's wood and metal surfaces for the perfect finishing touch. From doors, skirting and window frames, to panelling, radiators or even upcycling a piece of furniture, our paints are designed to give a new lease of life and offer long-lasting protection.

For a quick and easy update, choose Pure Brilliant White or get inspired by our vast range of contemporary colours.

wood, metal & MDF*

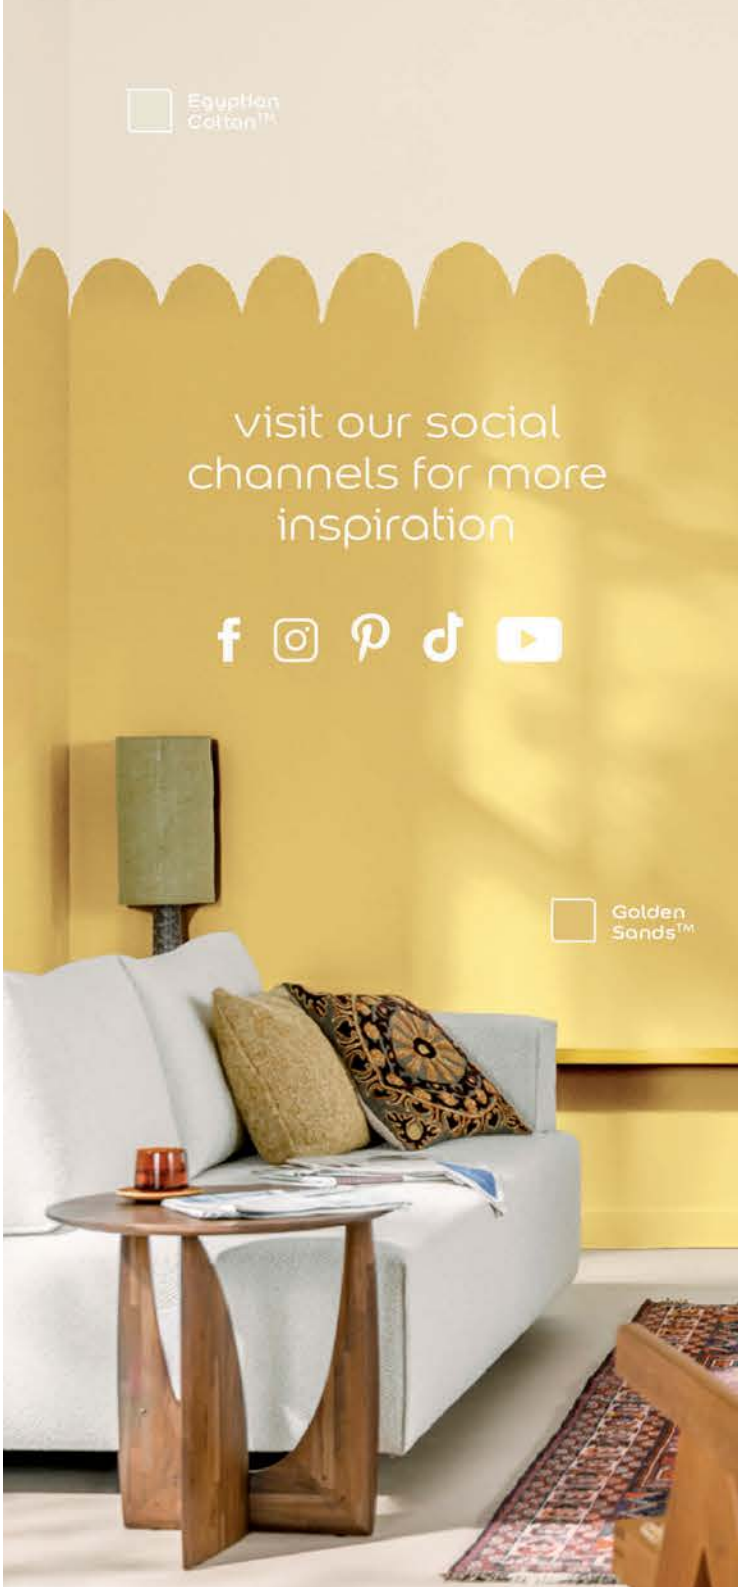
Our paints are widely stocked in national DIY retailers, home stores & paint specialists. You can get any colour mixed at selected stores. If you can't find your desired Dulux colour in your local store, visit your preferred retailer's website for their full product range.

repair before you paint

Our range of Polycell fillers and sealants is designed to give you the perfect start to smooth walls, getting rid of unsightly holes and cracks.



Our Promise to you

If you are not happy with the colour or finish of your product, we will replace it. T&Cs apply. Visit Dulux.co.uk/promise for more information.

DULUX PROMISE
PERFECT COLOUR • UNIFORM FINISH • COVERAGE STATED •

We promise our paint will give you the perfect colour with a uniform finish and the coverage stated, or we'll replace it. Visit Dulux.co.uk/promise. Terms and conditions apply. Claims must be made within 6 months of purchase. Proof of purchase required. Colour claims limited to 10L per customer. Manufacturer's tips and instructions must have been followed. UK purchases only.

We have reproduced this colour card as accurately as printing will allow. Please ensure that you use a colour tester on the actual surface to be painted before decorating; the substrate and the texture of the surface can change the appearance of the final colour, as can soft furnishings and the shape, size and lighting of the room. Please note: colour testers indicate the colour of the product only and are not representative of the quality or sheen of the final product purchased.

Safety, Health and Environment: before using a product ensure you read all instructions on the back of the product, including Health and Safety warnings. AkzoNobel, Dulux, the Dulux dog, the Flourish logo, the Dulux Quality Promise, Let's Colour, EASYCARE, Light+Space, Simply Refresh, Weathershield, Dulux Select Decorators, Polycell, Magic White and all colour names marked TM are trademarks of the AkzoNobel group © AkzoNobel 2025.
